## VACANCIES – AUTUMN 2015

### LOUGHBOROUGH OFFICE (Director: Paul Heathcote)

#### **Graduate Structural Engineer**

An engineer is required, ideally with a minimum of 2 years' experience within an engineering consultancy working on building structures, having previously gained a minimum 2:1 degree in Civil/Structural Engineering (JBM accredited). Experience in steel connection design will be considered an advantage.

The successful applicant will be hardworking, ambitious and able to work well within a small, dynamic team delivering a wide variety of projects.
